(8 Marks)

We are living in the age of position. There is a craze to look smart, update and beautiful. The adults and teenagers are under the spell of fashion. New generation runs after fashions. The garment industry, cosmetics, companies, attractive, sdvertisements, films and magazines are responsible for all this craze. Fashion changes everyday. What style waspopular in our elder brothers and sisters days is no longer popular today. It takes hardly one month to change fashions of dresses. New fashions are becoming very popular in notime. Nowadays, everyone tries to lokk smart and fashionable. They want to impress others by their fashionable dresses, make-up, jewellery and footwears. In the race of fashionsometimes people forget their own identity. They run blindly after fashions. Sometimes, instead of looking smart, they look

awkward. Fashions have affected students a lot. They neglect their studies and spend their precious time in parlours and in the markets.

QUESTIONS:

- (i) Which factors are responsible for a craze of fashion?
- (ii) Why do people blindly follow the latest fashion?
- (iii) Suggest two different titles for the passage.
