VI-Read the given passage and answer the following questions:

[1 x 3 = 3 marks]

Tina's mother liked to watch rainbows. Tina decided to make her mother a rainbow. First, she found a large piece of white fabric. She sewed a row of red buttons to the fabric. Next, she sewed a row of orange buttons under the red buttons. Then Tina found some yellow and green glitters. She used glue and made a row of yellow glitter and then a row of green glitter under the buttons. Next, Tina found some blue fabric scraps. She sewed the blue fabric under the green glitter. Then Tina found some violet buttons. She sewed a row of violet buttons under the blue fabric.

Finally, Tina made fabric loops to hang her rainbow. Now her mother can see a rainbow anytime.

Q1- What did Tina's mother like?

Q2-What did she find first?

Q3-What did she find next?
